Dear Sirs !

We would like to express our deep respect to you and to your Embassy and hope for fruitful mutually beneficial cooperation between Ukrainian and your companies.

RIA MediaCompass Ukraine - the leader in holding international transport conferences and forums in Ukraine invites your companies to participate in the International Black Sea transport forum TRANS EXPO ODESSA 2019 (18-20 September, Odessa) and in the 22nd International Conference "**Development of the Transport System of Ukraine: Challenges and Prospects.**" within the framework of the forum.

MAIN TOPICS OF THE CONFERENCE:

- ✓ Priorities for the development of an efficient transport system in Ukraine;
- ✓ Transport dialogue Ukraine-EU-China
- ✓ Formation of the principles of the new model of the market of rail transportation in Ukraine
- ✓ Interaction of railways: a look into the future
- ✓ Development of the road infrastructure of Ukraine and the road transport market
- ✓ Present and future of the port industry of Ukraine
- ✓ Grain terminals of Ukraine: the present and the future
- ✓ Air transport liberalization and transit infrastructure development
- ✓ Environmentally friendly and energy efficient transport

In 2018, the Forum was held in accordance with the BSEC plan for the second half of 2018. The coordinators of exhibitions and conferences were the Ministry of Infrastructure of Ukraine and the Association of Ports of the Black and Azov Seas (BASPA).

We would like to ask you to inform your companies (transport and marine sectors, grain importers, ship-owners, cargo owners) interested in Ukrainian market, to participate in our event.

Waiting for your consideration and your comments as for our cooperation.

Yours sincerely
Director

Alexander Syvak
