The final beneficiary is obliged to submit the **completion and financial reports** to the Slovak Embassy within **20 working days** after the completion of the project.

The **completion report** includes a detailed description of the implemented activities within the project and the evaluation of the project sustainability.

The **financial report** includes a detailed description of every item from the approved budget lines accompanied by the respective invoices and original receipts for the work, goods and services used in completing the project. Furthermore, the financial report contains a statement from the bank or exchange office indicating the exchange rate, which the beneficiary used for changing the grant money to the local currency.
